

Alternative Mortgage Financing Options

Adjustable or fixed-rate financing available on purchase or construction of single family or condominium properties.

Whether you're considering a single family residence or condominium as your new home, you're going to want to work with an experienced lender who will be there to help you, then and later. North Shore Bank is not only a local lender, but we have been providing financing to homeowners like yourself throughout Wisconsin since 1923.

As the Bank of You, we'll not only help you with the right loan program to match your personal needs, but also provide a program and payment that will match your budget.

Call for your free PreApproval.
