

Start and grow your business with Clover

With Clover® Payments, you can accept the most popular forms of payments, including all major credit and debit cards, mobile wallets, checks and cash through a web browser, your mobile device, your website or a Clover POS device. You can track all your sales transactions in the Clover Dashboard, available on the web or as an app on your mobile device.

Get started quickly

Simply sign up for a monthly subscription plan and start taking payments.

Accept payments from anywhere

Take payments over the phone with a web browser, remotely with your mobile device, online through your website or our hosted checkout page or in-person with a Clover POS device.

Invoice or use a payment schedule

Request payment by email or set up a recurring payment schedule to get paid automatically on-time, every time.

Track your sales transactions

Keep track of your sales on the Clover Dashboard on the web or through your mobile device.

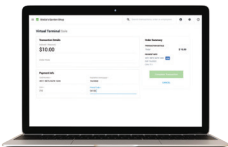

Clover Payments includes everything you need to request and take payments and track your sales transactions.

- **Clover Virtual Terminal** – Key in customer card information through a web browser
- **Invoicing** – Request customer payment by email and allow them to pay online
- **Recurring Payments** – Automatically charge your customer's card based on a schedule
- **Clover Go** – Key in or scan customer card information with your mobile device or add an optional card reader for card insert or tap
- **Clover Dashboard** – View and track your sales through a web browser or your mobile device
- **eCommerce Integrations** – Expand your business online with our prebuilt eCommerce integrations or use our developer tools to integrate payments to your website

Start taking payments with Clover

Clover gives you the ability to take payments from anywhere.

Over the phone

Key in your customer's card information in your web browser with Clover Virtual Terminal.

On-the-go

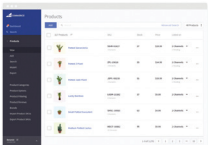

Key in or scan customers' card information with the Clover Go app on your mobile phone or tablet and add the optional Clover Go card reader.

Contactless and in-person

Take in-person payments with the portable Clover Flex or countertop device, Clover Mini.

Online

Accept payments through your website, an invoice sent by email or automatically using a recurring payment schedule.
